KIPP Forward Career Services:

Talk Hiring is a tool to help you improve your internship or job interviewing skills through mock interviewing. Click <u>here</u> and type in code **e5zf** to start practicing! These interviews take no more than 10 minutes and you'll receive instant, actionable feedback to improve your skills for your next interview!

KIPP is offering free 1:1 coaching sessions with an industry expert in your career field of interest through our partnership with **Wizco**. Wizco offers one 45 min coaching session for a resume review, mock interview prep, and/or to practice your elevator pitch for your next networking event. Learn more and sign up <u>here</u>.

For current first-gen college students, **FirstGenU** is a virtual program with five online courses to help you develop essential career search skills. Each course takes less than an hour, can be completed in any order, and on your own schedule and pace. See course <u>overview</u> and sign up <u>here</u>.

Basta Discovery is a "Choose Your Own Adventure" career readiness program. Students begin by completing a short career readiness survey and are invited to register to access their platform and review your survey results. You can then meet with a coach, enroll in live career readiness sessions, or sign up for a curated learning journey based on your survey, interests, and availability. Learn more here and complete your Seekr <u>survey</u> to begin!
